### **Historic Walk with the Mayor at Riverside National Cemetery**

**RIVERSIDE, Calif.** – Riverside Mayor Ron Loveridge takes his Walk with the Mayor monthly fitness program to the Riverside National Cemetery on Saturday, February 5, 2011.

This is a special Walk with the Mayor because of its historic location. The Riverside National Cemetery is a beautiful and peaceful location honoring those who have given their lives protecting our country. Featured on this Walk will be the Medal of Honor Memorial and the Fallen Soldier/Veterans' Memorial.

"This Walk with the Mayor gives us an opportunity to learn about the importance of the Riverside National Cemetery while engaging in the healthy habit of walking," said Mayor Loveridge. "We know that walking 30 minutes at least five times a week makes a difference in our health."

Riverside National Cemetery is located at 22495 Van Buren Boulevard near the 215 Freeway and the March Field Air Museum. The Mayor will take a route which will last about one hour. Wear comfortable walking/hiking shoes and bring a bottle of water.

Please plan to meet at the location at 7:30 a.m. for a welcome and warm-up time; the walks begin promptly at 7:45 a.m.
